Greenbriar Financial Recap August 2026

Submitted by Michael Collins, Treasurer

Revenue of $268K in August beat our estimate by $3.9K on membership dues and interest income. Three more than projected houses closed in August, which translates to 9 homes. Year to date, revenue has topped our estimates by 3.3%, mostly on new membership. Membership Dues are the fees that new residents pay when they close on a home here.

As far as expenses, most departments came in line with projections. However, Administration came in under budget for the month due to insurance payments hitting the budget annually while budgeted monthly. Grounds showed a $10K overage, mostly due to the tree replacement for the year hitting the budget in August. We also continue to go over each month in electricity for all departments because of the increase in the cost of electricity for this year. Outside Contractors came under budget due to savings in the lawn maintenance expense for the month. But we did have the expense of a new pool cover for the kidney shaped pool that was damaged by the ice storm last winter.

As of August 31st, 2026, we have $1.5M in reserve and $287K in operating, totaling $1.8 million in current assets.

President's Letter

Submitted by Peter D'Agostino

Wishing everyone a Happy Thanksgiving! It is hard to believe that we are about to enter the Holiday Season. It feels like yesterday that we were poolside, playing golf and pickleball. We have some winter projects that we plan to undertake, which will take us into the new year.

We plan on rolling some new paint in the clubhouse. Similar color pallet. Think of "greige." It is a variation of grey and beige with not so dark of a brown, which is currently from below the chair rail. This along with the new blinds will give our Clubhouse a refreshed look -not a true facelift, but a little botox and filler. A big thanks to our grounds crew for taking on this winter initiative!

Please attend Greenbriar's craft sale on November 28th from l0am to 4pm. This is different than last year's event as it only has crafts. There are over twenty tables of crafters signed up. Food and baked goods will also be available for purchase, so come on out and maybe you will find that treasured gift!

In October, Mike, Doreen, Danielle and I, were invited to attend a round table discussion with Assemblyman, Paul Kanitra. Attending were representatives from other 55 and over communities in Ocean County. Much of the agenda had to do with different services that are in the 10th legislative district, and NJ policies that affect our communities. One take away to note is the Assemblyman is working on a petition to rescind the HOA structural Integrity Bill of 2024, which is something that I have spoken for at length.

Our friend and Greenbriar neighbor, Ruth Leach, wanted to share a new program the Township has for seniors. The Brick Township Senior Shuttle is a new service available to Brick residents ages 60 and over. The Senior Shuttle will provide free transportation for these residents to anywhere in Brick. Residents wishing to schedule a ride should call 732-920-8686. Thanks for the info Ruth!

I want to address the pet receptacle that we placed on Emerson. I had read on Facebook that some residents are unhappy with it, as it is an eyesore to the Community and adds extra work for the Grounds Team. I do not disagree. Unfortunately, even though the minority, there are many pet owners who do not pick up after their dogs. It is witnessed throughout the Community. At times, timing prevails and it can be addressed with the pet owner. A resident asked if there was a community vote for the receptacle; the answer is no. Similarly to local, state, and federal governments, decisions are made by those that are voted in to make decisions. In our HOA case, the only time a vote goes out to the community is elections and bylaw changes.

Well, I guess that is it for now. Remember, together we are all Greenbriar.

Enjoy the beginning of the Holiday Season!

Best,
Peter

A GHOST BOOK CLUB CIRCLE

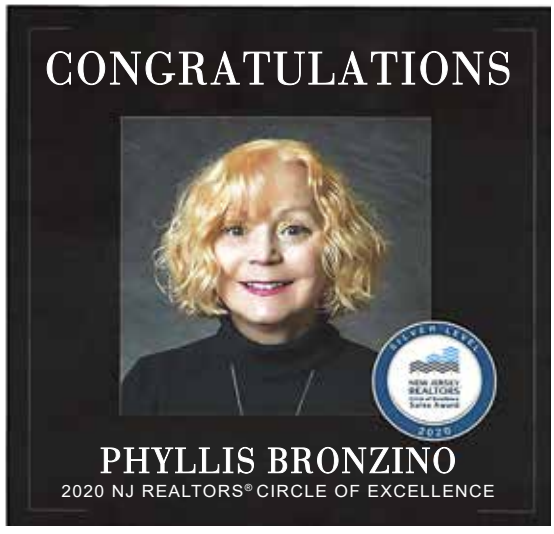

The book club regulars were surprised and puzzled when they entered the room for a book discussion. There in the middle of the circle, perched proudly was a circle of figures made for each of us by Peter G. I titled this article ghost because that is how the figures were created by Peter. He entered the information needed into the computer, it was processed, and a machine created a figure. The process is called Ghost. We were all amazed and interested in the process. When the book discussion was over, we all proudly took our figures home.

SNIPPETS FROM THE PATCH

By Gail Winsor

The Greenbriar Patch Members had their end of season barbecue on Wednesday, September 30th. We couldn't have asked for a more beautiful evening on the garden patio. The grill was fired up for hot dogs and hamburgers by the grill masters. Our night was filled with delicious food, music, adult beverages, and friends making memories.

Our 2026 gardening season has come to an end. Patches have been cleaned out and prepared for the winter. With Fall maintenance completed, the garden is ready to rest until Spring.

Members of the Greenbriar Patch are thrilled to have the addition of a much needed storage shed to our work area. It is through the efforts of so many that this became a reality. For starters, thank you to all our members who contributed in some way to the Farmer's Markets we held.

Without people sharing their produce, baking, making jam, making crafts, making vanilla, arranging flowers, setting up, cleaning up, advertising, and working at the markets, these would not have been so successful. In addition, a big thank you goes out to the people in our community who have faithfully supported us and enjoyed shopping. It's because of you we met with such success and were able to purchase this beautiful shed. Lastly, a huge thank you goes out to the volunteer crew from the garden who worked tirelessly putting it together. You did a fantastic job, and the shed looks great!

Materials Needed

- Cardboard Tubes (toilet paper rolls, paper towel rolls, gift wrap, etc.), cut into 1 ½" sections.
- Felt, fabric, ribbon or twine to cover your cardboard tubes
- Embellishments to decorate your napkin rings – leaves, buttons, beads, faux flowers
- Craft glue or a hot glue gun (with adult supervision)
- Binder clips or paper clips (optional)

Instructions

Step 1: Cover your tube sections with your choice of materials. We used the items listed above, but paper, colored tape or paint would also work well. Binder clips or paper clips are handy for holding ends and edges while your glue dries.

Step 2: Embellish your napkin rings to match your Thanksgiving table. Heavier items may need to be glued on with a hot glue gun or stronger adhesive. Insert your napkins, and you're ready to show off your personalized holiday decorations!

The Sewing And Crocheting Clubs Celebrate Claire Meany's 102nd Birthday

Submitted by Pat Hurley

Our Greenbriar Sewing Club and Crocheting Club recently came together for a very special celebration which was the 102nd birthday of long time member Claire Meany! Claire is not only a treasured member of the community, but also a very productive and dedicated member of the Sewing Club. Even at 102, Claire continues to keep busy creating beautiful quilts and other handmade items, sharing her talents and generosity with others.

Claire's work along with those in the club reflects the true spirit of giving that makes the group so special. Together club members create and donate handmade items to a variety of charitable organizations and causes including Children's Hospice, Veterans, Pediatric Hospice and Adult Hospice. Claire has played an important part in these efforts, using her sewing skills to bring comfort, warmth, and a personal touch to those who need it most.

The birthday gathering gave members of both the Sewing and Crocheting Clubs an opportunity to celebrate Claire at 102, and recognize her many contributions, and enjoy some fellowship with their friend and fellow crafter.

If you have any questions about our Sewing Club or would like to join us or donate fabric)etc. Please call Mary at 732-890-0618.

Greenbriar Ladies Golfers Take The Trophy!

Submitted by Pat Hurley

The Ladies Defeat The Men In A Memorable Day Of Competition!

The Greenbriar Ladies Golf League has something special to celebrate. The ladies have officially claimed victory over the Greenbriar Men's Golf League!

In what turned out to be a spirited day of friendly competition, the ladies brought out their A-game and showed that the Greenbriar women's golfers are a force to be reckoned with. From the first tee to the final putt, the competition was filled with great golf, plenty of camaraderie, and, of course, great fun on both sides.

The ladies did not stop with the golf competition. They also took the men on in the putting contest, and the Greenbriar ladies came out on top as well! When the pressure was on and the putts mattered most, the ladies showed their skill on the greens and secured yet another victory. With the final results in, the most important prize now belongs to the Ladies Golf League: THE TROPHY!

The trophy will proudly remain in the possession of the Ladies Golf League until the next competition in 2027. That's right: the ladies will have plenty of time to enjoy their victory, admire the trophy, and remind the men who is currently in charge of Greenbriar golf bragging rights.

A SHADOWY PAST

Perhaps it's easy to see why sheep are so intimidated by Border Collies! Whenever the sun is just right in the sky, Border Collie TASSIE'S inner wolflike shadow appears. All dogs share a common gray wolf ancestor, but researchers have not had luck pinpointing the location of the ancient wolves that began drawing closer to humans and started the trend toward domestication. A timeline for when domestication began is up for debate as well, with various estimates ranging from 15,000 to 40,000 years ago.

LI'L LICKERS

One of the cutest parts of a dog is the tongue-especially when it's hanging out of the mouth. Tongues are often flopped out to help dogs cool down while they pant. But why are some of them so long, anyway? Since dogs sweat only through their paw pads, more surface area on the tongue where moisture can evaporate helps them cool down, too. Unlike cat tongues, which are rough for selfgrooming, dog tongues are smooth-the better to lick you with!

Does anyone remember the 1980's tv show "Highway to Heaven" or the song from the 1950's "I'll Build a Stairway to Paradise"? I took this picture from my backyard patio... could it be that Greenbriar has its own Highway to Heaven or Stairway to Paradise? Hmmm?

Happy Fall to all

RECIPES

Submitted by Carolyn Rubino

I chose this recipe because it looks fairly east to make, but the ingredients are delicious. I will definitely make this, I hope you try it also.

Easiest-Ever Carbonara with Scallops & Peas

SERVES 4.

We've elevated the classic carbonara with seared scallops for added protein. Use any type of whole-grain spaghetti here, such as brown rice or quinoa.

HANDS-ON: 20 MINS. TOTAL: 30 MINS.

- 8 oz whole-grain spaghetti
- 2 large eggs
- ½ cup whipping cream (35%)
- ½ cup freshly grated Parmesan cheese
- 1 tbsp olive oil, divided
- 1 leek, white and light green parts, halved lengthwise, thinly sliced
- ½ tsp sea salt, divided
- 1 clove garlic, minced
- 12 large sea scallops (about 14 oz)
- ¼ tsp ground black pepper
- 1 cup frozen peas, thawed
- 1 tsp grated lemon zest

1. In a large pot, cook pasta according to package directions.

2. Meanwhile, in a small bowl, lightly beat eggs with a fork. Add cream and cheese, and stir to combine.

3. In a large skillet on medium-high, heat 1½ tsp oil. Add leeks and ¼ tsp salt; cook, stirring frequently, until very soft, 10 to 12 minutes. Add garlic and cook, stirring frequently, until fragrant, about 1 minute. Transfer leek mixture to a plate, and cover to keep warm.

4. Sprinkle scallops with remaining ¼ tsp salt and all of the pepper. Return to stove on medium-high, and heat remaining 1½ tsp oil. Add scallops, and cook, turning once, until browned, 2 minutes per side. Transfer to a plate, and cover to keep warm.

5. Drain pasta, reserving ½ cup pasta water, and return to pot. Toss leeks, peas. and lemon zest with pasta. Slowly add cream mixture, tossing to combine. Add reserved pasta water, 1 tbsp at a time, until sauce reaches desired consistency.
